

Certificate of Compliance and Crashworthiness

Certificate Number PLAS021C

Plasticade 18", 28" and 36" Traffic Cones

Plasticade Products certifies that the Plasticade 18", 28" and 36" Traffic Cones meet or exceed Part 6 of the Manual on Uniform Traffic Control Devices (MUTCD) 2009 Edition, Section 6F. They also meet the requirements of the California Department of Transportation 2015 Standard Specifications, Section 12-3.02 Traffic Cones.

We also certify that the Plasticade 18", 28" and 36" Traffic Cones meet or exceed the National Cooperative Highway Research Program (NCHRP) Report 350, Category I, issued by the Federal Highway Administration (FHWA) and are deemed compliant with this certification. In addition, in compliance with "Clarifications on Implementing the AASHTO Manual for Assessing Safety Hardware, May 2016", we certify that the Plasticade Traffic Cones meet the requirements of Category 1 as required by the 2016 AASHTO Manual for Assessing Safety Hardware (MASH) for Test Levels I, II, and III.

The Plasticade 18", 28" and 36" Traffic Cones are deemed to be "crash worthy" under the guidelines stated above.

This certificate shall not be reproduced except in full.

Date of Issue: 1/2/19

A handwritten signature in black ink that reads "Henry A. Ross".
