

POWER BOARDS for BARRICADES

NEW

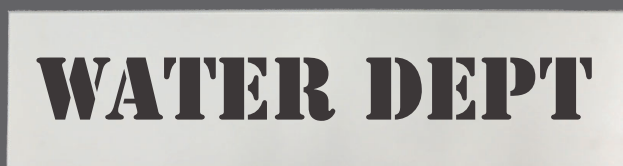

Double Walled Boards
For Extreme Durability

12" H x 24" W

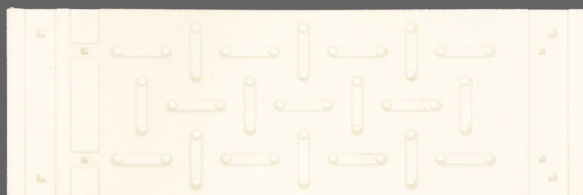

8" H x 24" W

6" H x 24" W

- New blow molded boards have greater strength and durability
 - double wall creates stiffer, longer lasting board
 - will not bend, warp, crack, splinter, or peel
- Hole punch-outs are molded into the board
- Names can be stenciled on the boards for identification
- Can be used in various generic Type I and II Barricade designs accepted by FHWA under NCHRP-350 (WZ-85)

Back of Board

Plastic boards last longer than wood!
