Certificate of Compliance and Crashworthiness

Certificate Number PLAS010_KS

Combocade™ Type I and Type II Barricades

Plasticade Products certifies that the Combocade Type I and Type II Barricade meets or exceeds Part 6 of the Manual on Uniform Traffic Control Devices (MUTCD) 11th Edition, Section 6K.

The Combocade Type I and Type II Barricade also meets the 2015 Kansas Department of Transportation standard specifications and special provisions. The devices supplied are essentially the same as those prequalified by KDOT.

We also certify that the Combocade Type I and Type II Barricade meets or exceeds the National Cooperative Highway Research Program (NCHRP) Report 350, Category II, issued by the Federal Highway Administration (FHWA) and AASHTO's Manual for Assessing Safety Hardware (MASH) and is deemed compliant as referred to in WZ-406, issued 5/27/20. This includes the use of lights.

The Combocade Type I and Type II Barricade is deemed to be "crash worthy" under the guidelines stated above. This includes the use of lights.

This certificate shall not be reproduced except in full.

Date of Issue: 1/31/26
