

## Certificate of Compliance and Crashworthiness

Certificate Number PLAS021FL

**Plasticade 36" 12# Traffic Cones**

Plasticade Products certifies that the Plasticade 36" 12# Traffic Cones meet or exceed Part 6 of the Manual on Uniform Traffic Control Devices (MUTCD) 11th Edition, Section 6K. Plasticade further certifies that these cones meet all FDOT specifications and Design Standard 600. Further, reflective sheeting used on the cones is in accordance with 994 and the 3M reflective collars are on FDOT's QPL.

We also certify that the Plasticade 36" 12# Traffic Cones meet or exceed the National Cooperative Highway Research Program (NCHRP) Report 350, Category I, issued by the Federal Highway Administration (FHWA) and are deemed compliant with this certification. In addition, in compliance with "Clarifications on Implementing the AASHTO Manual for Assessing Safety Hardware, May 2016", we certify that the Plasticade 36" 12# Traffic Cone meets the requirements of Category 1 as required by the 2016 AASHTO Manual for Assessing Safety Hardware (MASH) for Test Levels I, II, and III.

The Plasticade 36" 12# Traffic Cones are deemed to be "crash worthy" under the guidelines stated above.

This certificate shall not be reproduced except in full.
