

ELITE PVC FLAGGER POLE FOR STOP/SLOW SIGNS

PLASTICADE®

Plasticade.com

Pole Segments Slide Together Secured With Spring Loaded Button

- Lightweight Orange PVC
- Segmented Poles have two length kits to choose from, 72"L and 84"L
- Telescoping Pole easily expands to two lengths: 72"L and 84"L
- Top segment has 12"L handle and holds the sign. Can be used as a stand-alone paddle.
- Spring loaded button makes it easy to change from handle to pole, to storage
- Rounded rubber tip at pole bottom, allows for easy pole turns
- Comes with hardware to attach sign, signs sold separately
- Meets MUTCD Standards

Spring Loaded Button connects the segments
