PLASTICADE®

100 Howard Avenue
Des Plaines, IL 60018
phone (800) 772-0355

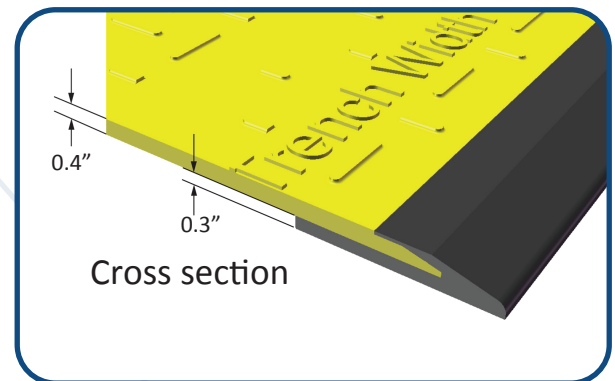

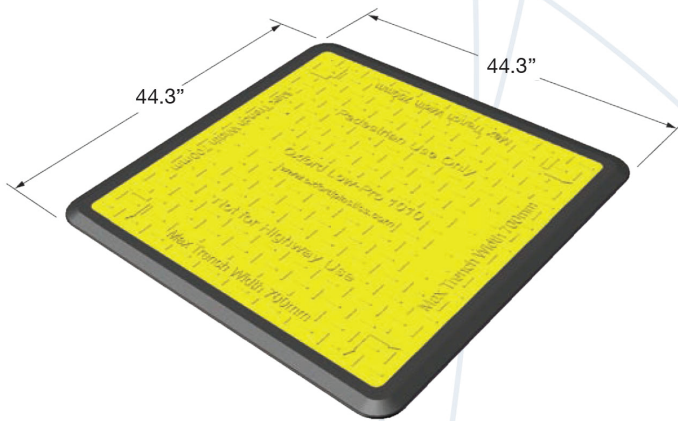

Plasticade.com

The pedestrian trench cover has an innovative Flexible Edge which greatly reduces trip hazards for pedestrians and helps to reduce any unwanted movement.

Benefits

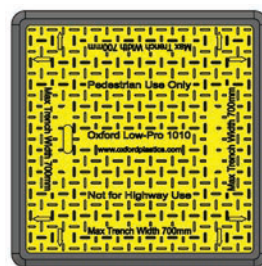

- Rigid inner section made from glass reinforced composite
- Very stable without anchor
- Contours to uneven pavement
- Reduced trip hazard for pedestrians
- Covers a 27.5" trench
- Supports a weight up to 553 lbs.
- Shock resistant
- Flexible edges can be replaced

Reduced installation time,
as anchoring is not required.

TECHNICAL SPECIFICATION

Product No	CSP-TCPED-Y
